

## ERASMUS+ – detail schedule

### April 17, 2023, Monday

9:30 – Meeting point at the lobby in the A-0 – Stanisław Staszic monument (see – slides), main building, A. Mickiewicza 30 Ave., 30-059 Krakow: discussion of logistical matters (lectures, classroom locations, equipments etc.)

11:00 – Meeting point at the lobby in the A-0, main building, A. Mickiewicza 30 Ave., 30-059 Krakow

11:30-14:30 – Guided tour of Krakow

14:30-15:30 – Time for Erasmus+ documents, H-A 2 building (III floor), Reymonta 7 Str., Krakow

15:30 – lectures/free time

### April 18, 2023, Tuesday

9:40-11:10 – lectures (classroom 208):

Prof. Bishal Nath Upreti – *Geology of the Nepal Himalaya: Recent Advances + Regional setting, physiography of Nepal Himalaya* (40 minutes)

Dr Faradina Merican Mohd Sidik Merican – *Introduction to tropical rainforest ecosystem* (40 minutes)

11:10-12:00 – Time for Erasmus+ documents, H-A 2 building (III floor), Reymonta 7 Str., Krakow

12:00 – Meeting point at the lobby in the A-0, main building, A. Mickiewicza 30 Ave., 30-059 Krakow

12:00-12:30 – Visiting an exhibition of minerals from the Rector's collection, introduction by dr. Michał Krobicki

12:45-13:30 – Visiting the Faculty of Mechanical Engineering and Robotics, Department of Mechanics and Vibroacoustics, D-1 building – anechoic chamber, introduction by dr. Adam Pilch

14:00 -15:30 Visit to the ACK CYFRONET AGH, Nawojki 11 Str., 30-950 Krakow

14:40-16:10 – lecture (classroom 225):

Dr Gasham Zeynalov – *Deep marine depositional environments, including turbidities and submarine fans systems* (80 minutes)

### April 19, 2023, Wednesday

8:00-9:30 – lectures (classroom 301):

Prof. Bishal Nath Upreti – *Basic Tectonic framework of the Himalaya + Stratigraphy of Siwalik, Lesser, Higher, and Tibetan-Tethys Himalayas* (40 minutes)

Dr Faradina Merican Mohd Sidik Merican – *Deforestation – Management and impact assessment* (40 minutes)

9:30-15:15 – Conference "**The Impact of Internationalization on the Openness and Tolerance of the University Environment**"

18:00-21:00 – Gala Dinner at Krakus Restaurant, Reymonta 15 Str., Krakow

### April 20, 2023, Thursday

8:30-14:15 – Celebration of the 25th anniversary of Erasmus Programme at AGH UST, U-2 building, Reymonta 7 Str., Krakow

13:50-15:35 – lectures (classroom 301):

Dr Faradina Merican Mohd Sidik Merican – *Introduction to mangrove and peat swamp forest ecosystems* (45 minutes)

Prof. Bishal Nath Upreti – *Depositional environment of Early Proterozoic Lesser Himalayan formations (Rift vs. Collision tectonics) + The Lesser Himalayan Nappes and Early Paleozoic tectonics and metamorphic events in the Himalaya (45 minutes)*

13:30-15:00 – lectures (classroom 31):

Dr Gasham Zeinalov – *Fluvial, Shoreline and Shallow marine depositional environments and their reservoirs (80 minutes)*

17:00-18:30 – Polish Geological Society meeting (classroom 31):

Prof. Bishal Nath Upreti – *Regional geology and seismotectonics of the Nepal Himalaya (50-60 minutes)*

#### **April 21, 2023, Friday**

11:50-13:10 – Student Scientific Association STRATI (classroom 301):

Dr Faradina Merican Mohd Sidik Merican & Dr Michał Krobicki – *Recent and fossil mangrove ecosystems (50-60 minutes)*
